(Correne Coetzer) From The Missing Link to The Road of Bones, that is Dimitri Kieffer's next stage in his human powered circumnavigation. He is now leaving the snow and his sled behind and will be travelling by bicycle. Dimitri's girlfriend Gulnara Miftakhova will be joining him. Gulnara Miftakhova is a Russian Tatar who was born in the city of Kazan, Republic of Tatarstan, Russian Federation. Dimitri and Gulnara are already in Russia on their way to the start point. During this cycling section between Omsukchan (Magadanskaya...
