(By Correne Coetzer) He is still quite a bit inland and has not been affected by the earthquake and tsunami in Japan, Dimitri assures ExplorersWeb. He says he is still in the northern far eastern part of Russia; battling his way alone through snowstorms, and trying to get rid of a cold and blisters on his feet. About the routes that he and Karl Busby are following, Dimitri explains to ExplorersWeb that he is still very much in what is considered to be the northern far eastern part of Russia. When Karl and I splitted in 2007...
